## SAUSAGES

Made on Harrison County  
Farm Are Served at  
the Waldo.

A most delicious make of country sausage is being served to dining room customers at the Waldo hotel.

The management of the hotel has closed a contract with a prominent Harrison county farmer, who operates one of the largest and best farms in the county, whereby the Waldo takes the whole output of the sausage made on his farm.

This farmer has made a specialty of country sausage for the last fifteen years and he always has a greater demand than he can supply owing to the superior quality of his output.

Good country sausage tastes good this kind of weather. Try the Waldo's.

Old things made new—by using Footer's. See S. Nussbaum's ad. on page six. Try.

Mr. and Mrs. Norval B. McCarty have arrived home from a visit in the East.

THE COST OF A NEW OVERCOAT  
is an important item of expense to the  
average citizen, and there is no reason  
why good money should be expended  
for one when that you wore last season  
can be made to look like a new  
one by sending it to Martin & Deem  
to be cleaned and done up. If it is  
somewhat faded and the color has lost  
its lustre we can dye it and practically  
make it into a new coat at a cost that  
is trifling in comparison to what you  
will pay for a new one.
